

**COUNCILMEMBER DONNA FRYE**  
**Council District Six**  
**City of San Diego**

**MEMORANDUM**

**DATE:** May 21, 2007  
**TO:** Honorable Mayor Jerry Sanders  
**FROM:** Councilmember Donna Frye  
**SUBJECT:** Stop Sign Installation

---

In accordance with Council Policy 200-08, the alternative process for the installation of stop signs, I am requesting an all way-stop at the intersection of West Canyon Terrace and West Canyon Avenue.

The Transportation Traffic Engineering Division investigated the proposed locations, but did not support the residents' requests because the intersection failed to meet the City's criteria for stop sign installation. In accordance with the alternative process, residents then collected signatures from neighbors in support of the stop signs and presented their requests to the Kearny Mesa Planning Group on April 18, 2007. The committee voted 13-0-1 in support of the stop sign installation. It is my opinion that this information is sufficient to warrant the installation of the stop signs. Thank you for your prompt attention to this matter.
